(This is helpful when ensuring paintings are dry enough to be placed in a frame before kids leave). <p>Nearer the time of the party I will need to know:</p> <ul style="list-style-type: none"> • Names of the children attending. • Address. • Do any children have any particular challenges that might affect how they engage with the activity that would be helpful for me to know (e.g. hearing impairments, physical disabilities, differences in how they learn or focus)? • If so is there anything you can suggest that they would find helpful?
